

HERE'S the POINT

By SPENCE HELD

J. D. Vose is one of the two Peninsula anglers to qualify for Saturday's fishoff in the Yellow-tail Derby.

His 28 pound five ounce bluefin tuna put him among the select finalists. Luck, you say?

Well, maybe. But he lives at 4654 Pescadero Ave., and Pescadero, of course, means Fisherman in Spanish.

Which reminds me that Point Loma High will portray "Amigos to the South" in the "Vacationland" pageant at the Football Carnival in Balboa Stadium Friday night.

La Jolla High will present "Point Loma Lighthouse."

This seems a little odd to me, but there must be a reason for it. Personally, I'd have assigned the Lighthouse to Point Loma and let San Diego High have the "Amigos to the South."

Kidding aside, I'll probably be among those present Friday night—to watch the football, that is. My wife seems to enjoy the pageantry.

The story of two oil barons who dined one moonlit night in the Marine Room at La Jolla's Beach and Tennis Club with the surf dashing against the glass windows is related in the October issue of Holiday magazine.

"This," said one, "is exactly what things will be like when we annex Heaven to Texas."

I used to be fond of the Marine Room myself but almost got the bum's rush there the other night.

When we entered the outer sanctum a blonde accosted me with the remark that neckties were required. . . . She rented me a sad-looking tie for a dollar; I donned it in the gent's room, muttering darkly about stuff and nonsense, and then we descended the stairs to do a little nibbling on the Upper Crust.

Oh, yeah? "It will be about an hour and a half," the man said.

So I turned in my suit—tie, that is—and recovered my buck and we beat it out of there.

Moral: Patronize home industry. I've never had to rent a necktie in Ocean Beach and Point Loma, and if it gets to the point where I do, I'll just sulk in my tent and eat at home.

Hi, Verna!

SLOGAN CONTEST

If you couldn't find the "hidden words" last week, there was nothing wrong with your eyesight. The clues were well hidden, all right—in fact, there weren't any. They were omitted inadvertently. (Somebody goofed.)

However, that didn't stop some of our eager beaver contestants, who used their imagination and sent in slogans anyhow.

The winner: Louis Jirak, of the U. S. Navy, residing at 4745 Muir Ave. His winning slogan will be found on Page 9 along with details of the weekly contest.

'UCLJ' Supported By Frank Luckel

The University of California at La Jolla.

That designation has the support of Assemblyman Frank Luckel of Point Loma, he announced this week, in accordance with recommendations submitted by a number of La Jollans.

Luckel said he was endeavoring to have the matter considered at a meeting of the Board of Regents at Santa Barbara Sept. 28.

TEN PAGES

Pageantry To Feature Big Football Carnival

Fourteen-hundred students from San Diego's seven regular day high schools will cooperate to portray the varied attractions of San Diego in "Vacationland," the colorful pageant to be presented Friday evening, Sept. 21 at 7:30 in Balboa stadium.

Opening event of the city schools' 18th annual football carnival, the pageant is part of a program which normally attracts a near-capacity crowd of more than 20,000 to the stadium.

Another 300 students, representing football teams from the seven schools, will take part in the football game following the pageant.

The pageant, under the direction of Dr. Alex Zimmerman and Miriam Paine will feature bands, drill teams, drum corps, and flag and pompon corps, each attired in colorful uniforms. Each school will appear in a five-minute episode dramatizing one feature of a vacation trip to San Diego.

Opening the pageant will be units from Lincoln High portraying "Arrival in Vacationland." Following in order will be Mission Bay High with "Sun and Surf"; San Diego High in "Theatre and Arts"; Point Loma High with "Amigos to the South"; and Kearny High in "Siesta and Fiesta." The final two scenes of the pageant will depict two familiar San Diego landmarks: "Point Loma Lighthouse" featuring La Jolla High, and "Mission San

Diego de Alcalá" presented by Hoover High. As the finale, massed units will join in the playing and singing of the "Star Spangled Banner," while the colors are raised by the La Jolla R.O.T.C.

In the football game beginning at 8:20 p.m., four quarters will be played. Kearny will be matched against La Jolla in the first quarter, Lincoln will play Mission Bay in the second quarter and Hoover in the third, and San Diego will meet Point Loma in the final quarter. The game will be decided on total aggregate score, with the "West" teams of Kearny, Lincoln, and San Diego matched against the "East" teams of La Jolla, Mission Bay, Hoover and Point Loma.

Drill units and football teams will be supported by their respective student bodies from reserved seating sections on either side of the stadium. Kearny, Lincoln and San Diego High schools will be on the west side, with the remaining four on the east side.

Don Clarkson, carnival manager, said that four center seats are available in advance at each of the seven participating high schools.

Nine other stadium sections will be reserved for high school rooting sections, and the balance of the bowl will be utilized for general admission seats.

District Chairmen Appointed Here For USD House-to-House Campaign

Eight area women have joined together "to help make more miracles happen" through Red Feather agencies as they prepare to get the Geographic (house to house) part of the United Success Drive under way.

Mrs. Percy A. Rooks, 2425 Ralermo Dr., chairman for the Geographic Drive in this area, said that women throughout the community have rallied to help raise \$2,306,000 to support the 90 health welfare and recreation services of six Community Chests in the County.

The women, she added, will carry the United Success Drive story to each home here as well as all businesses with less than five employees.

Chairmen for the seven districts, which are based on elementary school areas, include Sunset View, Mrs. Gilbert H. Rohlf, 1082 Devonshire Dr.; Ca-brillo, Mrs. Stephanie Avoyer,

3657 Dudley; Silvergate, Mrs. Ronald Abernethy, 614 San Geronimo; Loma Portal, Mrs. H. F. McEwan, 3445 Browning; Ocean Beach, Mrs. Hilbert Crosthwaite, 3912 Centraloma Dr.; Dewey, Mrs. Chester A. Dorman, 3212 Madrid, and Fremont, Mrs. E. J. Dingle, 2406 W. Camino del Rio.

District chairman will be responsible for recruiting zone chairmen, who in turn will recruit campaigners to call on homes. Each campaigner will cover a maximum area of one square block or its equivalent.

House to house campaigners are still needed to call on homes in these areas. Volunteers are urged to call Mrs. Percy Rooks at AC-2-8038 or United Success Headquarters, AC-3-7191.

The Geographic Division will kick off their part of the drive on Oct. 1. The Commerce and Industry and Public Employees sections are conducting their part of the campaign now.

Westminster Sets 2 Sunday Services

Westminster Presbyterian Church will start double-session worship services Sunday, Sept. 23, it was announced today by the Rev. Franklin Held, pastor.

Early service will be at 9:30 a.m. with the second at 11 a.m. Previously, the church had only the 11 a.m. service.

Beginning Sunday, there also will be started a split-session

church school. The nursery, kindergarten and primary departments will meet at 9:30 a.m., and the junior, junior high and senior high departments at 11 o'clock.

Rev. Franklin Held became pastor of the church June 10, succeeding Rev. Leonard Osbrink. He and his wife and 1-year-old son, David, reside at 1426 Rosecrans St.

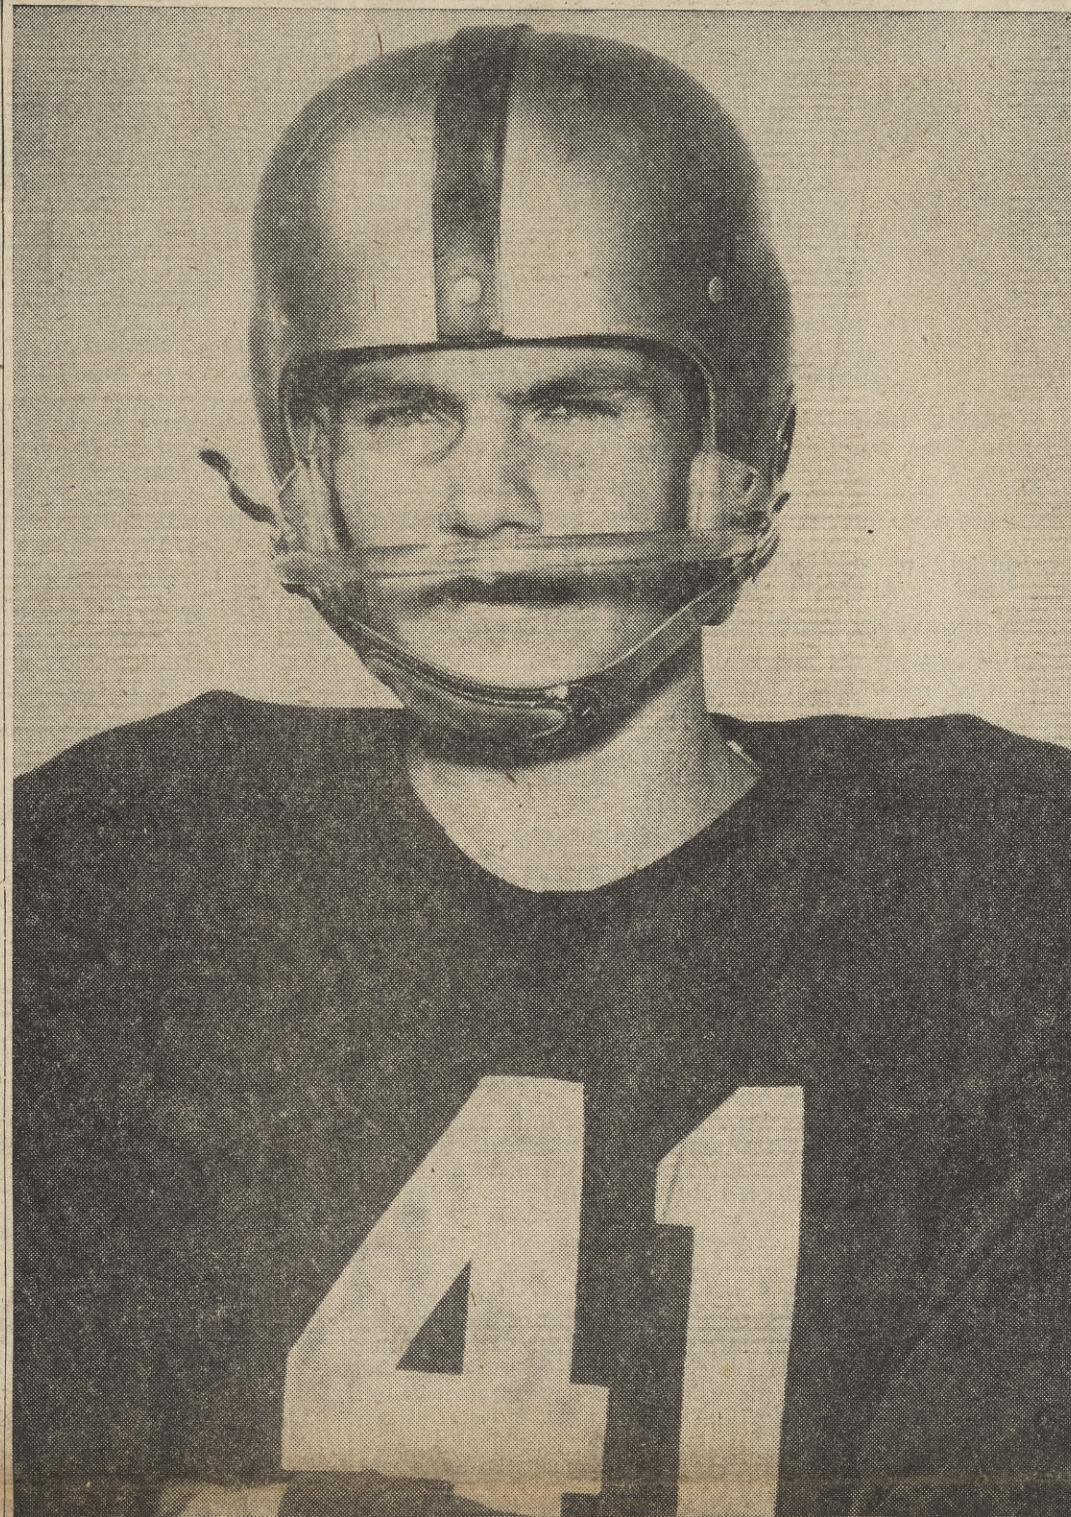

O. B. Girl Scout Recruitment Set

Girl Scout recruitment and troop organization for Ocean Beach Elementary School will be held Wednesday, Sept. 26, from 10 to 12 noon at the Community Center, announced Mrs. P. Fournier, neighborhood chairman.

Parents and adults interested

in Girl Scouting are invited to attend the organizational meeting. Parents may register their daughters at this time.

Mrs. Fournier will be assisted by Mrs. T. McGinnis, troop organizer, and Mrs. E. Smith, program chairman.

QUARTERBACK—Jerry Booth, 192-pound quarterback, is expected to be a key performer for Point Loma High School in the City Schools' annual Football Carnival Friday night in Balboa Stadium. Point Loma will meet San Diego High in the fourth quarter.—S. D. City Schools photo.

Jon Arnett, C. R. Roberts Spearhead Trojan Invasion Of Texas Saturday

LOS ANGELES—Coach Jess Hill and his SC gridders invade Texas for the first time in Trojan history Saturday to do battle with Ed Price's Texans in a 1956 season opener for both squads.

The night fray will mark only the second time that the two teams have met. In their first encounter last year in the Coliseum, the Hillmen corralled the Longhorns 19-7. That Trojan win was the first recorded over the University of Texas by a PCC eleven.

The two SC offensive stars of that 1955 game—left half Jon Arnett and fullback C. R. Roberts—will once again be in the backfield for Troy. Both men were named to the 1955 University of Texas all-opponents team on the basis of their outstanding play.

All-American Arnett, together with six and possibly seven other "guilty" seniors, will be starting their consecutive five games against the Longhorns. The decis-

ion to-play-or-not-to-play for veteran guard Laird Willott might be held until just before the game.

The Trojans will open the 1956 campaign with what is admittedly one of the finest backfields in college football today. Graduation and PCC rulings, however, have weakened the end and guard positions. Only two 1955 lettermen, seniors Chuck Leimbach and Willott, are back for duty at these line posts.

The Longhorns, meanwhile, will answer Troy's great running game with an outstanding offensive attack of their own. Junior Walt Fondren, an all-Southwest Conference halfback selection in 1955, is a dangerous breakaway runner. He averaged 5.3 yards on 108 carries as a soph.

Another junior, quarterback Joe Clements, finished the 1955 season as one of the country's top passers with 65 completions for 818 yards and six TDs.

League of Women Voters To Meet

The League of Women Voters of San Diego will study the pros and cons of the state ballot measures at September meetings.

Point Loma day unit meets with Mrs. Stephen Zsiga, 3426 Freeman St., at 9:30 a.m. Tuesday, Sept. 25. Mrs. John Atwood will lead the discussion.

The Point Loma evening group will be at the home of Mrs. William Jorgensen, 4139 Atascadero, at 7:30 p.m., Wednesday, Septem-

ber 26. Their discussion leader will be Mrs. Kirk Abbey, and Mrs. Douglas Reith will supply resource information.

The League was to hold a membership luncheon for 200 women at the Town and Country Club today, with a panel of speakers presenting the program and activities of the organization. The luncheon was sponsored by Mr. and Mrs. George A. Scott, according to Mrs. Gilbert Curl, president.

Tebbetts To Head March of Dimes

Harold Tebbetts of Ocean Beach will direct the January, 1957 March of Dimes Campaign in the Ocean Beach area, it was announced today by Maj. Gen. Willard Irvine, USA, ret., San Diego County March of Dimes chairman.

Tebbetts will place particular emphasis upon special events in the forthcoming drive and seek the continued cooperation of the civic and fraternal organizations within the community.

APT. & RENTAL OWNERS ASS'N. TO MEET FRIDAY

L. E. Drolet, trust officer at Security Trust & Savings Bank, will speak on "Wills and Estates" at a meeting of the Apartment and Rental Owners Association of San Diego Friday noon, Sept. 21, in the Venetian Room of U. S. Grant Hotel.

LEGION MEETS TONIGHT

Ocean Beach Post 433 of the American Legion will hold a regular meeting tonight (Thursday) at 8 o'clock at 5019 Newport Ave. All servicemen and veterans are welcome.

2 Local Anglers Qualify For Derby Fishoff

One hundred sixty-two anglers including a dozen ties for the last qualifying spot, will engage in a one-day fishoff this Saturday for the station wagon and other major prizes at stake in the final period of the \$25,000 San Diego Yellowtail Derby.

Among them will be two from the Point Loma-Ocean Beach area: J. D. Vose, 4654 Pescadero Ave., 28 pound 5 ounce bluefin tuna, and Herbert Fredman, 3520 Fenelon, 25-14 yellowtail.

Last two anglers to make the qualifying list were: J. McAdams, Santa Monica, 27 pound yellowtail, and George Willett, Inglewood, 24-2 yellow.

Finalists Saturday will be headed by Dan S. Bodie, Chula Vista, who bagged the largest qualifying fish of the year—a 50 pound 12 ounce bluefin tuna.

Conditions for the final fishoff appear excellent, for daily catches have been hovering around the 600 mark for the last 10 days and more than 4500 yellows were bagged last week.

New Employees Of City Schools To Be Honored

The annual reception honoring new employees of the city schools will be held Wednesday, Sept. 26, from 3:30 to 5:30 p.m. in the Balboa Park Club, it has been announced by Mrs. Nancy McNary, arrangements committee chairman.

The event will be co-sponsored by the San Diego Teachers' Association, Administrators' Club, Post High Teachers' Association, and the Classified Employees' Association. Civic leaders, Parent-Teacher Association officers and members, and all employees of the school system have been invited to attend.

Merrill McLaughlin, Teachers' Association president, will be master of ceremonies, according to Mrs. McNary. The new employees will be welcomed by Sheldon Campbell, chairman of the Chamber of Commerce Education Committee.

Cal Western Expects Banner College Year

Cal Western University on Point Loma expects to have a banner year during 1956-57, with a greatly increased enrollment, expanded facilities, and additions to the faculty.

Registration will be held Monday and Tuesday, Sept. 24-25, from 9 a.m. to 5 p.m., and from 7 to 9 in the evening.

However, Dr. William C. Rust, president, said that late registrations will be taken throughout the week. Classes will start Wednesday, Sept. 26.

An enrollment of 300 to 350 students is expected—a big jump from the 200 enrolled last year.

The new John B. Starkey Memorial Science Building will be ready for use; it comprises laboratories, classrooms and offices. First wings of the new men's dormitory and the new women's dormitory are expected to be finished and ready for occupancy by Dec. 1. Each wing will house about 32 students.

Ocean Beach Baptist Church Plans 'Homecoming Sunday' September 23

"Homecoming Sunday" will be observed by Ocean Beach Baptist Church Sunday, Sept. 23, celebrating its 43rd year in this community.

Special services will be held at the church, Sunset Cliffs Blvd. and Santa Monica Ave. At 8:30 a.m., the Rev. Allen Newman, present pastor, will preach on "Homecoming." At 11 a.m., the Rev. William L. Bolton, pastor from October, 1947 to January, 1956, will preach on "Through the Years," and the Rev. P. O. Jensen will read the Scripture. He was pastor from July, 1940 to March, 1947.

Youth of the church will have charge of the services at 7:30 p.m.

Special guests for the day will include Mrs. Walter S. Dunn, a widow of the Rev. Dunn who was pastor from 1925 to 1940; and two charter members of the

church—Mrs. Lena Burdette and Miss Margaret Rankin. A congregational dinner will be held in the church hall at 12:30 p.m. All friends, former members and members of the church are invited.

It was Oct. 19, 1913, when a group of 11 persons interested in the organization of a Baptist Work, met with the Rev. Richard E. Day, pastor of Logan Heights Baptist Church, at the home of Mr. and Mrs. J. W. Rankin.

On Nov. 28, 1913, a group met at the Rankin home where it was resolved that the group be constituted the First Baptist Church of Ocean Beach. There were 25 charter members, of whom Mrs. Burdette and Miss Rankin are still residing in this area.

The group purchased two lots and the first meeting was in a "tent chapel" on Jan. 11, 1914. In June of 1915 a small debt-free chapel was dedicated.

Chamber Dinner Next Wednesday

All members of the Ocean Beach Chamber of Commerce are asked to attend the dinner meeting Wednesday, Sept. 26 at 7:30 p.m. in Madeline's Dining Room. Wives and friends also are invited.

Reports from various committees will be received and the Chamber's activities discussed. Tickets are \$2.50 per person and may be obtained from any Chamber director or Secretary John Pierce, 1918 Bacon St.

More Funds Necessary To Meet Needs of San Diego City Schools

Operating costs of city schools have increased to a point where the tax limit must be raised to provide the necessary financing, according to Donald E. Hanson, chairman of the Citizens Committee for Schools.

Hanson explained that the Board of Education derives its operating funds from a maximum \$2 tax rate for operating expenses that has been in effect since 1937.

"The ever-rising cost of goods and services in recent years has been met by the Board through the practice of utmost economy," he said. "San Diego's unprecedented growth, and the certainty that it will continue, has imposed an operational burden that makes an increase in working funds unavoidable."

He said the tax proposition on the November 6 ballot would set a \$2.80 limitation on the school district's operating funds, compared to \$2 at present on each \$100 of assessed valuation.

"Voters are assured that the measure would not fix the tax rate; instead it would set a new limitation within which the Board of Education could administer the schools," he added. "Because of conditions beyond the Board's control, an increased operating rate has been necessary in recent years. For instance, the 1953-54 rate was \$1.55; in 1954-55, \$1.78; 1955-56, \$1.84. The 1956-57 rate is \$2."

"The simple fact is that our schools today cannot operate under the 20-year-old \$2 limit without restricting the educational program."

Impressive Build-Up Of Waterfowl In Canada Reported By Naturalist

An impressive build-up of waterfowl in Canada's western duck breeding provinces in recent weeks is elating duck hunters everywhere, according to B. W. Cartwright, chief naturalist of Ducks Unlimited (Canada).

Results of a recent 1,100-mile survey and brood count in the southern part of Manitoba reveals the best duck population in 15 years. This should send a bumper crop of waterfowl down the Mississippi flyway.

Favored with good weather and water conditions, Saskatchewan is expected to turn out the prize duck crop of the year. Ducks Unlimited volunteers, sampling duck broods in representative districts, found an average of seven birds per brood.

Despite freakish weather throughout the province, central and northern Alberta have produced a fine duck crop which will offset any reduction in the south.

"The blue-winged teal migration is now in full swing," Cartwright said. "Observers in the foothills of the Rockies reported a heavy migration of pintails underway from ground level to 7,000 feet on Aug. 27. These birds were all headed for the Pacific Coast states."

While San Diego County is

basking in mid-summer warmth, winter was beginning to close in the Far North. Geese started to pour into northern Alberta lakes and a spectacular influx is now said to be in progress, spurred by a 20-inch snowfall at Akavik at the mouth of the Mackenzie River in the Arctic. A heavy duck population is present in the Peace River district and geese are just arriving in numbers.

When the Canadian lakes and ponds are finally sealed by ice and the annual waterfowl migration starts south, American hunters can look for good shooting. How many of these birds will stop off in southern California will depend on existing water conditions at the time.

DU PARTY TICKETS Local sportsmen are being reminded that Tuesday, Oct. 9 is the date of the 13th annual Ducks Unlimited Party to be held in the Palm Room of the U. S. Grant Hotel.

Only 450 couples can be accommodated, warned Harvey Chambers, president of the San Diego DU Steering Committee. Tickets may be purchased downtown from George Sears on the main floor of the First National Bank, or at the lobby desk of the U. S. Grant Hotel.

SUCCESS—This store front of the Brother Sewing & Knitting Center at 1911 Cable St., is standard throughout the U. S. The Center enjoyed a very successful opening last week and the management was gratified by local support.

SHE'S FAIREST OF THE FAIR. Pretty Cheryl Bouillon, 18, of Pomona, has been named queen of the 29th annual Los Angeles County Fair in Pomona, Sept. 14-30. Selected by a panel of competent judges, she was one of 11 candidates chosen by popular vote from the 500 coeds at Mt. San Antonio College. She and her ten charming princesses form the royal court of agriculture presiding over the constant round of festivities at the huge exposition.

GRAND MARSHAL—Clint Walker Movie Star, will be marshal of the grand entry at the Sheriff's Rodeo at Del Mar Sept. 22-23.

Gala Grand Entry Sheriff's Rodeo

A colorful and exciting feature of the second annual Sheriff's Rodeo at the Del Mar Fairgrounds Sept. 22 and 23 will be the grand entry. Lt. Tom Isbell, rodeo chairman, announced today. Isbell said that Clint Walker, young Warner Brothers star of Western TV and movie films, will be the grand marshal. He will lead a six-man marine color guard from Camp Pendleton.

The grand entry will also feature 10 individual riders and six groups of horsemen, mounted on fine horses caparisoned in rich trappings.

A. E. "Bob" Howell, of Lemon Grove, president of the San Diego County Horsemen's Association, is in charge of the grand entry. He led the mounted units in the historical pageant parade July 28 during the Fiesta del Pacifico.

Isbell said entries continue to pour in for the rodeo, insuring that the best riders and performers in the country will be seen in action in the thrill-packed performance.

Proceeds from the rodeo go to the aid of San Diego County Sheriff's officers injured in the line of duty and to the families of those killed while in the service of the county.

New Class Set By Jr. Theatre

Because of her interest in Junior Theatre work, Mrs. C. Norman Hicks of 4383 Piedmont Dr. assistant executive director of S. D. Junior Theatre, incorporated her summer vacation with attending the 12th Annual Children's Theatre Conference at Northwestern University, Evanston, Ill.

Mrs. Hicks returned inspired to add many new ideas to the S. D. J. T. curriculum. Notably, a brand new class will be offered youngsters this fall which Mrs. Hicks will supervise. A class where the children themselves will plan and do research on a project; then develop it technically and with their own dialogue to a finished production. Their aim will be to make their production in every way compare to any written formal drama.

Classes also are offered in Acting Technique, Body Coordination, Voice, and Creative Dramatics.

There is still time to register for the fall semester. Classes for elementary groups begin Oct. 13. High school and jr. high groups start Sept. 24 and Sept. 20. Further information regarding registration and fees may be had by calling BE-4-1447.

BUREAU OF HOME APPLIANCES OF SAN DIEGO COUNTY

A New Look for Tomato Aspic

New heartiness and interest are added to the traditional tomato aspic salad with chilled cooked rice and crunchy chopped celery. Tomato-Rice Salad is flavorful and tempting as a luncheon or supper accompaniment for cold sliced meats and cheese or as a salad bedded on crisp greens for serving with almost any hot meat, fish or poultry main dish. It's a particularly fine service when entertaining because it can be made the day before and unmolded and stored in the refrigerator ready to serve on the day of the party.

Tomato paste is a smooth ingredient in the aspic which combines with lemon-flavored vitamin C gelatin. This important vitamin is now provided in Royal gelatin dessert powders. Gelatin salads and desserts are an easy way of insuring that the family eats this vitamin daily.

The Tomato-Rice Salad may be made in a large mold, or after the rice and celery have been folded into the thickened tomato aspic mixture, it may be spooned into handsome individual molds or custard cups.

TOMATO-RICE SALAD

1 package vitamin C gelatin, lemon flavor
1 1/2 cups hot or boiling water
1 8-oz. can tomato paste
1/2 cup lemon juice
1/2 teaspoon salt
1/2 teaspoon pepper
1/2 teaspoon Tabasco
1/2 teaspoon crushed oregano
1 cup cold cooked rice
1/2 cup chopped celery

Dissolve lemon gelatin in boiling water. Add tomato paste, lemon juice, salt, pepper, Tabasco and oregano. Chill until slightly thickened. Fold in rice and celery. Chill in individual molds until firm. Unmold. Makes 5 to 6 servings.

Mothersingers

Now Rehearsing

The Peninsula Mothersingers have begun rehearsals for this year and would welcome new members.

This PTA singing group is one of many Mothersinger groups in the city and state who meet to have fun singing together and occasionally performing for church, civic, and PTA groups.

Members of the Peninsula Mothersingers are drawn principally from the Point Loma and beach areas and are currently meeting at 2058 Venice St., home of the director, Mrs. Robert Brazell, who is also music chairman for the Ocean Beach Elementary school PTA.

Their first singing engagement for the year will be Oct. 9 for the PTA unit meeting at Ocean Beach school.

Anyone interested in joining may call AC-2-1958 or AC-2-2933 for information. There is a baby sitter available.

"We also need an accompanist," it was said. "This is an opportunity for someone to gain valuable experience or to revive interest in a neglected talent."

COPPERCRAFT CLASS

A Coppercraft class for adults is opening at the O. B. Community Center; it meets Wednesday from 10 a.m. to 2:30 p.m. Enrollments are now being accepted and visitors are welcome.

Children Victims Of S. D. Traffic

Six children under 15 years of age have been killed already this year on the streets and highways of San Diego County, Ronald T. Strong, San Diego County Traffic Safety Council president, revealed this week. And the total throughout the United States last year reached 4,100, he added.

"This slaughter of our children," Strong said, "is a tragic and needless waste of life and is ample reason for the present nationwide concern for the safety of our young people in traffic."

"But the number of deaths is only part of the whole picture. In addition, hundreds of thousands of children are injured each year in traffic accidents."

The training so essential to the safety of our children must begin in the home in the formative years of the child's life. Too many parents do not feel the importance of this phase of a child's education of their responsibility for making children safety conscious from the start, Strong emphasized.

"Then there is the motorist's share of the responsibility for the safety of children, as well as the mutual concern and action necessary on the part of schools, public officials and community leaders," he explained.

"A good community is judged by its accident record. Let us be sure that San Diego County recognizes the need and does something about it."

POLITICAL IMPERSONATIONS

Dr. I. D. Taubeneck will impersonate the two presidential candidates at the Current Affairs class in the Midway Adult Center this Friday, Sept. 21 at 9:30 a.m. This special program is open to the public.

Taubeneck has impersonated candidates for president in his forum program for the past 40 years and in this way has dramatized the major political issues of the elections.

Tips on Touring

By Carol Lane
Women's Travel Authority

Children going back to school this fall will go more safely—if adults help.

How can you help? Driving safely is one way. Promoting traffic safety is another. In communities throughout the U. S. parents have worked out top notch programs for insuring traffic safety for children.

Here are some examples—from winners of recent Carol Lane Traffic Safety Awards.

Mrs. Robert R. Eckart, Jr., New Orleans, observed that youngsters were unsupervised during bus rides and that motorists ignored school bus laws. She recruited 37 mothers to act as bus guards, chauffeurs for the guards and bus captains. These guards reported unsafe conditions and violations to Mrs. Eckart who worked with school board and safety officials to correct them.

Mrs. Glen Rabb, principal of the W. J. Wheeler Elementary School in Commerce, Texas, encouraged children to participate in safety clubs, patrols, slogan and poster contests, bicycle rodeos, safety parades, and safety skits presented in other schools. Result: a more safety-conscious, safer community.

The Women's Division, Greater Minneapolis Safety Council, honored teen-age motorists for accident-free driving. Each student who drove six months with no accident received a "NO-ACC" (for "no accidents") reflector car bumper emblem. This positive approach to teen-age driving was extended to all Minneapolis public schools.

How about your community? Would a program like one of these make your children safer?

A total of 544 California drivers had their licenses revoked during June of this year, reports the National Automobile Club.

Faith of a Nation
To understand America, you should understand her faith. It is part of our greatness that we give each other freedom to find our own explanations of life and death and man's place in nature—freedom to worship as we please.

You can see this freedom dramatically portrayed in the places we have built for worship. Here are a few I've found.
In New Bedford, Massachusetts—Seamen's Bethel, the church with the ship-like pulpit where the preacher delivered the fiery sermon in "Moby Dick."

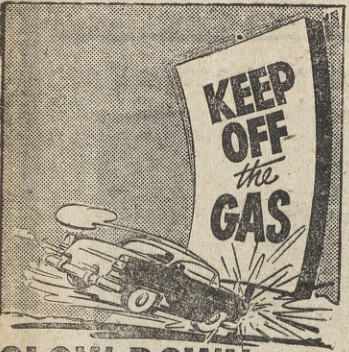

In Putnam Valley, New York—Shrine of the North American Martyr, a mission, built like an Indian community house, dedicated to early Jesuit Fathers in the New World.

In Madison, Wisconsin—the spectacular, modern church designed by Frank Lloyd Wright. In Wilmette, Illinois (just north of Chicago)—the Bahai House of Worship, a breathtaking dome of pale gray stone-work tracery and glass rising from a symbolic nine-sided base.

At Acoma, New Mexico—San Estaban Rey Church. To build this, women carried stone and adobe up the 357 foot high mesa, and men hauled roof beams 30 miles.

In Cincinnati—Plum Street Temple of Congregation Bene Yeshurun, with its magnificent Moorish interior. Reform Judaism in the New World was started here.

In California—the Spanish missions from San Diego to Sonoma.
I'm sure you know others. Visit one on your next drive. It's inspiring to see these varied, enduring monuments to American belief—a blend of faith in freedom and freedom in faith.

Hang Up Tubes of Glue

A MIGHTY smart way to organize adhesive container tubes at the workbench is to adopt the recommendation of The Home Craftsman magazine. Instead of using the threaded pins which usually come with such containers, obtain some inexpensive cup hooks and use them as caps.

With their concave flanges, these hooks create a double seal which keeps out the air. They also enable the craftsman to hang the tubes of glue, household cement, wood putty and other items in a neat row above the workbench, within reach and quickly identifiable.

Work of Visiting Nurses Explained To Members of O. B. Woman's Club

BY MARIAN KRETTLER

Under the leadership of that energetic president, Fanny Planzon, the Ocean Beach Woman's Club got off to a grand start on Thursday last. No need to account the luncheon which honored past presidents. It was served tastily and speedily with coffee done by Doris Reinke, who certainly knows her specialty.

Betty Sherwood, of Visiting Nurses told of the work her service is doing. If patients are able to pay, they do so; they must be recommended by the physician and the visits are without charge.

The limited number of devoted women cover vast area from Boston and La Mesa. Those girls know everything, from how to care for new-born babies to soothing the dying. A good outfit, deserving our support. One of those Red Feather agencies.

Police Officer R. E. Ristau was a good representative of our traffic division. He answered many questions after talking about driving hazards. At the rate cars are pouring into San Diego, and with different rules from varying states, no wonder we encounter many highway perils. Those black wires you may have noted lying across traffic lanes are really keeping count of the cars. Nine hundred thousand in a day.

Officer Ristau told us that Los Angeles has resorted to the use of helicopters in clearing crashes. And some of the photographs he displayed were really terrifying. Watch that 15 miles at intersections, the other fellow may be coming your way, and how!

The Club will have a bake sale Sept. 22 at the Rancho Market Basket.

A rummage sale is in the offing, the date to be announced later. It will be under the chairmanship of Mrs. John J. Murt.

A bazaar November 9-10 will see Mrs. Jas. Dodson in charge.

The garden section will go to Julian on Sept. 25. The visitors go to the clubhouse at 9:30 a.m., bringing their lunch along.

District Board meeting will occur at Oceanside Sept. 24 and delegates have been appointed.

American Homes department is set for the third Thursday of each month at 1 p.m. Arts and Crafts people gather at 10 a.m. at the clubhouse with sack lunches indicated.

California hunters bagged 1,295,900 quail during the 1955 season, reports the National Automobile Club. This total was down 12.6 per cent from that made during the 1954 season.

Anita Club Sets Dinner & Dance

A spaghetti dinner and dance, sponsored by the Anita Club, will be held Saturday, Sept. 22, at 8:30 p.m. at the American Legion Hall, 2691 B St., it was announced.

Dinner, which will be supervised by Mrs. E. De Rocco, will be served from 6:30 to 8:30. A floor show starts at 7:30, and dancing begins at 8.

Proceeds from this annual affair will benefit the Children's Hospital and the Casa de Cuna Orphanage of Tijuana. Mrs. Joseph Gentilella and Mrs. Felice Fornace are ticket chairmen.

Auction Sale Sat.

On Saturday, Sept. 22 at 10 a.m., the Police Department will hold an auction sale of bicycles and reclaimed property at the water tank on Park Blvd., opposite the Naval Hospital.

"Property will be sold as is—for cash," it was said. The items may be inspected at 9 a.m., before the sale.

Cabrillo Day Dinner Dance

Cabrillo Day will be celebrated by members of the Cabrillo Civic Club, Saturday, Sept. 22, with a dinner dance at 7:30 p.m., in the Cotillion Room of El Cortez Hotel.

Earl J. Cantos will be the principal speaker. Raul Fernandes, club president, will be master of ceremonies. Manuel Simas will act as toastmaster.

Frank Gibson, county supervisor, will be a guest of honor.

Mrs. Edward Nunes (AC-2-8371) is taking reservations. Tickets are \$5.50 a person.

Cabrillo Day commemorates the discovery of San Diego Bay by Juan Rodriguez Cabrillo, Portuguese explorer.

Service stations in the United States comprise a multibillion-dollar business that keeps some 48 million cars rolling, reports the National Automobile Club.

JOB'S DAUGHTERS

Job's Daughters, Bethel 158 will exemplify their initiation work for Mrs. Dorothy Wise, deputy grand guardian, on Wednesday, Sept. 26 at 7:30 p.m. in Point Loma Masonic Temple.

A new dove was presented to the Bethel by the worthy matron and worthy patron of Eastern Star, Point Loma Chapter 490.

Mary Webster, honored queen, has listed as one of her projects a fund for the Cancer Society.

The girls will tour Disneyland Saturday, Sept. 29.

An early Oregon road sign project was the "rainbow highway" now called The Dalles-California Highway (U.S.97). According to the National Automobile Club, the road was designated by bands of colors, on fence posts, telephone poles, junipers and pines, marking the route from the Columbia River to Southern Oregon.

Lane County, Oregon, has 48 covered bridges, more than any other county in the Northwest, according to the National Automobile Club.

Long sleeves and long pants are your best protection against insect bites on these summer hikes, advises the National Automobile Club.

Tips on Touring

By Carol Lane
Women's Travel Authority

Do you realize that Labor Day gives us the only "guaranteed" three-day weekend during the year?

How would you like five long weekends annually?

That's the plan of the National Association of Travel Organizations. Here's how it works:

Move four non-religious holidays to a neighboring Monday. The days would be President's Day, Memorial Day, Independence Day, and Thanksgiving.

President's Day would be the third Monday in February. It would end the confusion of Washington's birthday being celebrated all over the nation. Lincoln's in most of the states, Jefferson's in four, Roosevelt's in two, and Jackson's in one.

Memorial Day—now celebrated on four different days—would be the last Monday in May.

Independence Day would be the first Monday in July. (Some may object to ignoring July 4th, but—as we celebrate it now—we are in error. The Declaration of Independence was passed on July 2, John Hancock signed it July 4, and the summer passed before all the signatures were affixed.)

Thanksgiving—already changed in recent years—would be the fourth Monday in November. This would eliminate the "moo-rooned" Friday that usually follows.

Labor Day, naturally, would remain as is.

There you are—five long holiday weekends every year. There's extra time for short vacations and enjoyable travel.

It is up to state legislatures to legalize this Monday Holiday Plan. So far, only Massachusetts has done so.

HEALTH FOR ALL

"It doesn't matter what I eat at my age," says Grandmother pushing the spinach to the side of her plate.

And she was just telling Junior to eat his spinach.

Junior has a perfect right to think she's being unreasonable. She is. Her diet needs are almost the same as his, except that she can manage with fewer calories because she climbs fewer trees.

Older people too often think the rules of health no longer apply to them. They're apt to believe, for instance, that they're too old to catch an infectious disease such as tuberculosis. A glance at TB statistics would tell

them another story. The TB case rate and death rate in people over 65 is considerably higher than in people between 15 and 44. And nutrition is one of the important factors in resistance to tuberculosis.

Why do so many older people eat poorly? The most common reason, doctors believe, is habit. Some of them never have eaten enough meat, vegetables, and milk and they don't want to change. Teeth also play a part. If older people will see their dentists for correction of decay or missing teeth and ill-fitting dentures, they can enjoy solid, well-balanced meals.

Money is another problem. Retired people with shrunken incomes often feel that the right foods are too expensive. Better knowledge of food values, careful marketing and budgeting will help.

What should older people eat to protect themselves from disease and make the late years of life comfortable? The daily diet of a 65 year old man should provide 1,800 to 2,400 calories, a woman's 1,500 to 1,900.

Doctors recommend a pint of milk a day; butter or fortified margarine; peanut butter; one serving of each of: citrus fruits

or tomatoes; green or yellow vegetable, potatoes; other vegetables or fruit; whole grain cereal; eggs, meat, poultry, or sea food, and enriched or whole grain bread.

Don't wear light-colored clothes when fishing, advises the National Automobile Club. Such clothes make it easy for the fish to see you.

Driving in a hot, stuffy, and smoke-filled car can cause drowsiness and drowsiness at the wheel can cause death, warns the National Automobile Club.

Classical Ballet

directed by

Mrs. Tina Kingsberry

The Point Loma School of Ballet will offer its students a curriculum designed to meet all the requirements of the contemporary stage while preserving the absolute classic ballet and toe technique as the basis of its instruction.

There is no limit to the beauty and grace ballet will bring to its students whether they choose dancing as a career or to obtain a better understanding and appreciation of the art. Children and adult classes for beginners, intermediate and advanced. Registration Point Loma Assembly Hall, 3035, Talbot St. 2 to 4 p.m. Friday, Sept. 28 or phone AC-3-3982.

Rules of the Booster Slogan Contest

1. Any person is eligible except members of families or employees of the Peninsula News.
2. Locate the "Hidden" Word found in each column. These words will be changed into a new location somewhere among the ads each week. Work from left to right. (Line does not necessarily have to rhyme.)
3. Write your line along the same theme as the words compiled. Bring or mail to the Peninsula News office.
4. The Peninsula News will have your entry impartially judged and awarded a Credit Certificate worth \$12.00 to the winning contestant.
5. Any contestant may submit more than one line, if desired.
6. This contest closes at 5 p.m. Mondays. All entries must be in the office by that time.
7. In case of ties, identical prizes will be awarded to all tying contestants. The decision of the judges will be final.

Booster Slogan Contest

WITH THE SPONSORING ADVERTISER OF YOUR CHOICE

SAVE TIME AND MONEY SHOPPING IN THE PENINSULA AREA

The Peninsula News will award each week for the next 26 weeks a credit certificate worth \$12.00 to each eligible winning contestant—redeemable at any of the sponsoring advertisers whose ad is found listed on this page.

"ENJOY THE FRUITS OF LOCAL HARVEST"

You can have fun and become better acquainted with local advertisers and their ads by participating in our "BOOSTER SLOGAN" Contest. In each column can be found a "Hidden" Word — combine them and you have our slogan for this week — Write a brief paraphrase along the same theme as the slogan — it does not necessarily have to rhyme but must always lead to the advantages of local shopping.

EXAMPLE—"Many More Reasons Why Local Trading Is Best, Get Shopping Done with Time to Rest."
